## Sisterhood of the Travelin' Shoes

Wear your shoes, sister.  
Wear your travelin' shoes.

Are your shoes for city  
streets,  
or for dusty rural lanes?

Are you the gal for pumps,  
or boots,  
or sandals and brightly  
painted toes?

Do they lead you silently  
on a labyrinth,  
down hospital corridors,  
or chasing a child,  
or dancing,  
dancing,  
dancing your faith?  
Wear your shoes, sister.

Wear your favorite,  
your wildest,  
your comfiest,  
your travelin'shoes.
