

Welcome to Missouri State! I'm the college pastor at Schweitzer, a United Methodist Church in Springfield. I wanted to welcome you to MSU and invite you to join our ministry this fall.

This fall is going to be incredibly exciting as we're launching a brand new worship service on the MSU campus. We're going to be having **church on campus every Sunday night**. Our worship will feature great music from the band, Biblical teaching, fun drama and media. It's church designed to connect specifically with you as a college student.

There are a lot of ways to get involved in the Schweitzer College Ministry. **We have a variety of small groups, social events, mission opportunities, trips/retreats, and ministry teams.**

The best way to **build relationships** with others in the ministry is to be in one of our small groups. Groups are available that discuss material related to the weekend message, books, the Bible, or gather for prayer. Another great way to meet people is to **serve** on one of our ministry teams. A full list of teams is available on our web site under the "serve" link.

You can **sign up today** to be in a small group or to help on a ministry team by visiting our web site: **greenroomworship.com**

To keep up with what's happening in the ministry, be sure to become a "fan" of our ministry on Facebook.

I look forward to getting to know you this fall. If you have any questions feel free to call me (417-350-9806) or email me (mkerner@schweitzerumc.org).

In Christ,  
Matt Kerner
