## Webinars

*Faith, Family, and Serving Children*

Offered through GBOD Ministry with Children

[www.gbod.org/children](http://www.gbod.org/children)

In our continued call and commitment to serving children through equipping leaders engaged in ministry with children, this series of webinars were recorded for use in annual conferences, districts, and congregations of the United Methodist Church to support faith formation of children, birth to eleven. It is the hope that these webinars will be used in group settings for new and revitalizing congregations.

*Webinar information is listed on the following page*

Melanie Gordon  
Director, Ministry with Children
