

Expectations:

All will exhibit a Christian attitude.

There will be no alcohol while on the work camp and follow the UMCOR covenant

Respect others and the property of the people and place we are staying

Participate in group activities and worship

Bring persons with skills to help at the job sites. It is good to have at least one skilled person for every 10 people. Much of the work will be construction in nature.

Registration process:

If you are registering an organized group, please inform us that you will have a group, even if it is only 3-4 people. It will allow us to know there will be people participating that week. If there is not a group coming by the first of January, we will need to cancel our housing. There is high demand during March as many student groups plan mission trips during that time. We do not want to hold places and not have any people participate, keeping others from going.

Final payment due: 3 weeks before departure, Checks payable to: Missouri Conference UMC.

Cost: \$50 /person, includes housing and meals and supplies for the projects. There will be a picnic and beach time.

Transportation: Each group provides own transportation. For individuals, we will try to team you up with a group. Transportation is not included in cost.

What to bring: bedding, pillow, towel, work clothes, swim suit, work gloves, flashlight, insect repellent, clothes for the evening.

Jobs and Tools: As the date gets closer, the job projects will be known. There may be the need for some tools. UMCOR supplies many of the tools needed. The work will be rehab of homes and working on new homes in the New Orleans area. Now is the time to begin to recruit skilled persons to come with the group.

Fundraising: Plan early and do some fundraising to support the mission trip
