

Be Refreshed at Sweet Life Café!

This café-themed getaway is as relaxing and refreshing as it sounds!

We all love going out for a warm cup of coffee or tea with friends. Most of us long to extend those short visits and take time to slow down and really enjoy time together. So, take the time to relax, get away from the busyness of life as you relax with friends, make new friends, share laughter and stories, spend time with God, and savor your relationship with Jesus. We hope you'll join us March 3, beginning at 6:00 p.m. and ending March 4 at 3:00 p.m. at our Sweet Life Café retreat to experience all this and more!

Blessings,

Brenda Smith-Keene, Spiritual Growth Coordinator
