

Concerned about Missouri's Death Penalty? What you can do about it!

You Can...

Be a Pen Pal friend – Writing a prisoner on death row is a rewarding and eye-opening experience. Contact Susie Roling at 816-686-0054 or sjssm@hotmail.com.

Sign an “I Support Repeal” statement – Do you belong to a group or organization that would be willing to sign a Petition to Repeal the Death Penalty in Missouri? Change does not happen overnight and the Repeal Campaign is but one stepping stone to shape public policies that affect our lives.

Talk to your Legislator – Ultimately, only they have the power to make this change. Let them know how you feel about the death penalty.

Host a Speaker - The death penalty is a complex and exciting issue. Host an MADP speaker at your church or organization's meetings. There are many perspectives to consider: Parents of inmates on death row; Families of murder victims; Attorneys who defended death row inmates; Law enforcement professionals; Clergy who bring a moral and theological perspective; Educators who bring a social and philosophical perspective; Witnesses to executions.

Learn More – Education is powerful, learn more about the death penalty and teach others. Keep current on death penalty developments.
