

**MINISTRY MARK**  
SHINE YOUR LIGHT FOR ALL TO SEE

### DESIGN JUSTIFICATION

John 14:11-16 presents us with a concept that at first glance seems impossible. Jesus not only calls us as disciples to do the work that he has done, but takes it to an entirely different level when declaring “we will do even greater things.” One critical component separates success from failure as we strive to accomplish this calling. The key to accomplishing greater things is allowing the Holy Spirit to lead us as we discern innovative paths for the future of the ministries to which we are called.

The inner circle of the graphic for “Greater Things” represents the Holy Spirit as the source that must be central to our mission. Illustrated by diverse rings of circular elements that vary in both size and shape, the disciples multiply through being led by the power of the Spirit. While individually smaller in size than the Spirit, the disciples make a greater impact by collectively seeking innovative ways to connect those who do yet have a relationship with Christ.
