“BE GREEN” UNIT RECOGNITION AT MO CONFERENCE ANNUAL MEETING

Every action has consequences on other humans and on the earth. We are aware of the outcome of actions and individuals' impact on others. We must walk lightly on the earth. These practices are a spiritual discipline. We continue our pledge to work toward the following environmentally safe practices. We use the United Methodist Women “13 Steps Sustainable Program Planning”.

For individuals submitting this survey, units will again be recognized for “Be Green”.

Send a copy to Felicia Bamer, Green Team Task Force Coordinator, at felicia.bamer@gmail.com or 1126 Big Bend Crossing Drive, Manchester, MO 63088 by August 30, 2019. (I prefer email.)
