

THE TIE THAT BINDS

SPECIAL EDITION APRIL 10, 2020

From Your District President...

Hello, UMW Members!

The spring district meeting (Apr. 25) is canceled due to the COVID-19 crisis. We are rescheduling our plans until the fall meeting set for **Aug. 29**.

Vice President Kathy said that she feels if we were cleared and could go ahead with it, we would probably not have a very large crowd. And, of course, who knows how long our "stay at home" decree will last?

- We will hand out Mission Today five-star certificates,
- Honor the Woman of the Year
- Candleburning Service a memorial service for UMW who have passed,
- Ask about projected pledges, etc.
- Present Reading Certificates
- We will ask Shoes from the Heart to reschedule with us for August if possible.
- There will be two positions open for the 2021 year mission team.
MEMBERSHIP, NURTURE & OUTREACH and PROGRAM RESOURCES. And members for our Nominating Committee are needed.

In other news, Richard Dodd, Kay's husband, is back in the hospital again. He was home for a short time again. Kay told Charlene that "his heart is just wearing out." So, please continue to pray for Kay, Richard, and their family.

Thanks for all you do! Stay home all you can, and stay safe!

Sending you love and blessings,
Nancy Douglas, District President

District Mission Team will bring breakfast items and decorations for raffle.

Please remember to bring White Elephant items.

Mission Minute for Candleburning for 2020 is \$21.61

Hopefully "Shoes for the Heart will be available for the program.
